

KDM CONSTRUCTORS

The 'KDM' of KDM Constructors LP. stands for Kawacatoose First Nation, Daystar First Nation, and Muskowekwan First Nation.

We provide site services and maintenance to BHP Jansen Project, located at Jansen, Saskatchewan.

Branding KDM Constructors as a preferred Employer across Sask.

The indigenous population is a resource that the Saskatchewan Government has had difficulties employing in the past. At KDM Constructors we are committed to building a diverse workforce that reflects the diverse population of the province. Employing Women and Indigenous people local to the projects we are involved in and providing opportunities to excel, providing these opportunities is what sets us apart from other employers.

We were involved in the Construction of Phase 1 of Muskowekwan First Nation's Family Healing and Wellness Centre, which is 4 log style units. Phase 2 of the centre is in discussions, which will add 4 more units to the project.
